Procurement of Spare Parts Kits for RS-6

REFERENCE: Chief, Contracts Branch, memorandum dated 29 December 1953 - 852-148

1. The memorandum of reference requested that we review the revised RS-6 Spare Parts List forwarded by the Contractor's letter dated 15 December 1953, and indicate, if satisfactory, our approval of the resultant price increase of \$3.24 per set.

2. The revised list has been reviewed and is considered satisfactory and necessary in the light of recent equipment changes. Funds in the amount of \$972.00 to cover the price increase for the 300 sets of spares under procurement are available from Allotment No. 4-6895-10.
